

# CV - Thomas Walskaar

## Work Experiences

### Print Room

Assistant  
March 2017  
Rotterdam - The Netherlands

Assisting in the shop with setup for local, external events, and provided customers with knowledge of about books, shop services and local knowledge about the city. I also print using a two colour A3 RISO MZ 1070E risograph printer.

### Publication Lab

Design Intern  
September 2016 - January 2017  
Amsterdam - The Netherlands

I worked on a five month project developing an online platform for Cinekid Amsterdam. Cinekid Unfold is a platform for Cinekid to showcases their content from the professional festival program in a new and engaging way to promote its content.

### The Degree Show 14

Creative Director  
December 2013 - June 2014  
London - United Kingdom

My main role as Creative Director for Ravensbourne's Degree Show where to design and envision the visual identity of the UK biggest student-lead degree show. I manage a team of designers and delivered elements for print, way-finding, digital and broadcast media over six month process. I working closely with external suppliers to deliver all over the printed material. We achieved over 3500 tickets booked for the event that lasted one week.

### AMV BBDO

Graphic Designer  
February 2013 - February 2013  
London - United Kingdom

One-week live project for a major UK tech company with an international team of people from all over Europe. The role included the graphic design for the project and supporting the team with research and personal knowledge.

### Tvende Media

Graphic Designer - Photographer  
October 2008 - September 2012  
Arendal - Norway

My main role at Tvende Media where to design all of the editorial layout in their publications, with over 100 pages designed pr week. Keeping the brand and layout consistence over four newspapers with a total distribution of 500,000 copies a week. I also redesigned the layouts and worked on creating new DM publications.

My responsibilities also include all in-house news photography for the company and covering the major Norwegian music festival Hovefestivalen for three years straight.
